“Striving for something for everyone”

PUB NIGHTS at the hall are now the first Friday of the month, it's an opportunity to come and have a relaxed drink with friends and neighbours. We now have a FULL SIZED pool table and we are looking to assemble a team to take part in a local league. We also have darts and table tennis available. It has been lovely to see newly arrived residents popping in for a drink on the Pub Night, for those of you who have not yet been we hope to see you soon.

Now the exterior of the hall has been completed we are looking to return the 'pond' and adjacent area to its former glory, this will involve making detailed plans/designs in order to look for potential funding. If anyone is particularly interested in helping out practically or have any ideas/suggestions this would be a great opportunity for more residents to become actively involved in enhancing our village hall facility whilst creating a more appealing space.
